Compliance Officer

Full Time Or Part Time Opening

Any Office/Hybrid

An exciting opportunity to join CG's growing team as Compliance Officer. We will consider a Compliance Officer for a part time role or as part of a wider operational or administrative role on a full-time basis.

Responsibilities:

As a Compliance Officer, you will report into CG's COLP and MLRO and be responsible for managing and overseeing the firm's compliance programs, ensuring that all practices and procedures align with legal and regulatory standards. Your primary duties will include:

- **Compliance Monitoring & Risk Assessment:** Conduct regular risk assessments and audits to identify potential areas of compliance vulnerability and risk. Develop and implement corrective actions to mitigate risks.
- **Regulatory Compliance:** Keep abreast of industry regulations, including anti-money laundering (AML), data protection, and legal ethics. Ensure compliance with relevant laws, regulations, and professional standards.
- **Policy Development & Training:** Develop, review, and update the firm's internal compliance policies and procedures. Deliver training and guidance to staff on compliance matters, ensuring all team members understand their responsibilities.
- **Reporting & Documentation:** Prepare and submit detailed compliance reports to senior management and regulatory bodies. Maintain thorough documentation of compliance activities, audits, and actions taken.
- **Advisory Role:** Provide compliance advice to legal teams, management, and other departments.
- **Incident Management:** Investigate any potential compliance issues, ensuring corrective measures are implemented swiftly and effectively.

Qualifications and Skills:

- Strong communication skills, both written and verbal, with the ability to convey complex regulatory information clearly.
- Detail-oriented, with a high level of integrity.
- Excellent analytic and organisational skills with the ability to manage multiple tasks effectively.
